

EcoSoft™

100% Recycled Paper Products

wausauPAPER

EcoSoft™ 100% Recycled Paper Products

EcoSoft™ is made from 100% recycled wastepaper and meets the demand for recycled products, while continuing to meet the customer's need for softness and quality.

ECOSOFT™: AN ENVIRONMENTAL NECESSITY

Recycling has become an environmental necessity, and that makes EcoSoft an environmental necessity, too. It's a complete line of 100% recycled towel and tissue products designed for the environmentally conscious customer.

MEETS EPA GUIDELINES

All EcoSoft products meet or exceed EPA guidelines for post-consumer waste content. That means they satisfy procurement guidelines for government-funded organizations which are enforced by state and federal laws.

SAVES MONEY, RESOURCES

EcoSoft products combined with Bay West® controlled-use dispensers help conserve resources by reducing waste at its source.

100% RECYCLED: A SIGN OF THE TIMES

Customers can purchase EcoSoft with confidence, knowing they support the recycling movement, while helping to create a cleaner environment. Image-conscious customers will appreciate that every EcoSoft product is clearly labeled "100% Recycled."

THE WAUSAU PAPER ADVANTAGE

Through a perfect blend of pre- and post-consumer wastepaper, EcoSoft gives you recycled towel and tissue products without sacrificing quality or performance. That's the Wausau Paper advantage.

Every EcoSoft™ tissue meets EPA guidelines with a minimum of 20% post-consumer waste.

EcoSoft™ Household Paper Toweling provides the softness and absorbency of household toweling, while meeting EPA guidelines with a minimum of 40% post-consumer waste.

Recycled EcoSoft™ facial tissue provides the softness and quality users expect.

EcoSoft™ 100% Recycled Paper Products

Combine EcoSoft™ roll towels with Bay West® controlled roll dispensers.

ECOSOFT™ ROLL TOWELS

EcoSoft roll towels are 100% recycled and made entirely from recovered fibers. They contain a minimum of 40% post-consumer waste, which meets EPA guidelines. Available in white and natural.

ECOSOFT™ TISSUE

Embossed for softness, 100% recycled EcoSoft tissues contain a minimum of 20% post-consumer wastepaper, which meets EPA guidelines.

ECOSOFT™ FOLDED TOWELS

EcoSoft offers a complete line of 100% recycled singlefold, multifold and C-fold towels available in white and natural.

ECOSOFT™ SPECIALTY PRODUCTS

Heavily embossed EcoSoft household paper toweling provides the softness and absorbency of household toweling and has the wet strength needed for use in business and industry.

EcoSoft facial tissue offers the softness and absorbency of household tissue with attractive packaging.

White and natural EcoSoft™ folded towels all contain 40% post-consumer waste to meet EPA guidelines.

Silhouette® dispensers reflect your good taste. Every Silhouette® towel and tissue dispenser features sturdy plastic construction and attractive translucent styling for a clean coordinated washroom appearance.
